

EXHIBIT AT

KUNSTSTOFFENBEURS 2025

For 25 years, the premier trade fair for the plastics and rubber industry in the Benelux

17 & 18 SEPTEMBER 2025
BRABANTHALLEN | 'S-HERTOGENBOSCH

- Discover how Kunststoffenbeurs can help your company:
 - Increase brand awareness
 - Build new connections
 - Strengthen existing relationships
 - Achieve your sales and marketing goals
 - Present your latest products, technologies and services

Foreword

“For 25 years, Kunststoffbeurs has been the place where professionals from the plastics and rubber industry come together to network, share knowledge, and innovate. With a strong focus on sustainability and circularity, the trade fair remains future-oriented and supports companies in taking steps towards a circular economy.

The last edition highlighted inspiring examples, such as Auping's circular mattress and Veridis' innovative recycling technology. These stories showcase how businesses contribute to a more sustainable industry. The upcoming edition will continue on this path, with new themes, current developments, and a program that gives a platform to both established players and start-ups to share their ideas and solutions.

Over 25 years, Kunststoffbeurs has grown from a regional event into an internationally recognized platform, uniting the plastics and rubber industries of the Benelux. With its focus on networking, addressing current challenges, and offering practical solutions, it has become a highlight for many professionals.

We cordially invite you to join us! Meet industry peers, discover new collaborations, and be inspired. We are already working on the next edition, and we look forward to meeting you in person!"

LIEKE COPPENS
l.coppens@mikrocentrum.nl

WHAT TYPE OF VISITORS WILL YOU MEET?

Kunststoffenbeurs offers a platform for companies, organizations, educational and knowledge institutions active in the plastics and rubber industry, specializing in:

- Machinery
- Technical industry
- Recycling
- Packaging
- Medical technology
- Consumer goods
- Electronics
- Construction and infrastructure
- Energy

FOR WHICH EXHIBITORS DOES THE KUNSTSTOFFENBEURS OFFER A PLATFORM?

- **Design and development:** from design to production processes
- **Production processes:** injection molding, extrusion, vacuum forming, thermoforming, assembly, 3D printing, plastics processing, rotational molding, blow molding, sustainability and circularity
- **Tooling:** from prototype molds to full-fledged tools
- **Testing:** analysis, measurement, simulation, testing and peripherals
- **Materials:** (new) raw materials, additives, silicones, recyclates, technical plastics, biomaterials, rubber, foils, tapes, surface treatments, connection techniques and composites
- **Recycling**
- **Machines and equipment:** digitalization, software, automation, mechanical engineering and electrification
- **Knowledge sharing and networking:** Lifelong Development, training, research, networking and collaboration

- “For 25 years, the Kunststoffenbeurs has been the meeting place for us where we see many of our existing contacts and suppliers again, but where we also make new contacts every year. That is very valuable.”

KIM FRENCKEN-KELLENNERS, MANAGING DIRECTOR OF KELLPLA

- ‘It is not only about networking, but also about exploring new opportunities. You meet a lot of people, have conversations with clients and potential clients. And that also makes it fun.’

FRANK SCHUSTER, MANAGING DIRECTOR OF ENGEL BENELUX B.V.

De Kunststoffenbeurs 2024 zit erop! We hebben onze 25e editie feestelijk mogen afsluiten! Zonder alle partners, sponsors, exposanten, bezoekers en sprekers had onze beurs niet kunnen bestaan. Laat staan dat we 25 edities hebben mogen organiseren en nog steeds een begrip zijn in de Benelux om de kunststof- en rubberindustrie jaarlijks samen te brengen. We kijken in ieder geval terug op een mooie editie, waarbij veel kennis werd gedeeld over innovatieve, slimme en duurzame productieprocessen en productontwikkeling met kunststof en rubber. Namens ons hele team: dankjewel voor je komst en/of je bijdrage! De volgende editie staat gepland op 17 en 18 september 2025. Zien wij je daar?

Vandaag is de eerste dag van de Kunststoffenbeurs! Met ruim 220+ exposanten, een 25 jaar Kunststoffen expositie, 40 lezingen, het Machineplein, de Rethink Plastics Expo, Innovation Area's, AM for Plastics Area, diverse innovaties bij de exposanten en netwerkborrel belooft de beurs volop inspiratie, nieuwe inzichten én netwerkmogelijkheden! Ben jij er ook bij?

Een paar highlights waarom jij een bezoek aan de Kunststoffenbeurs vandaag niet mag missen:

- ✓ Symposium Bioplastics door Green Serendipity & ChemistryNL - Onder leiding van Caroli Buitenhuis (Green Serendipity) delen diverse product- en merkeigenaren hun visie op de Nationale Circulaire Plastics Norm en de inzet van bioplastics
- ✓ Nelleke van der Pull - the LEGO Group - Geeft tijdens het Symposium Bioplastics een presentatie over de zoektocht naar biobased en hernieuwbare plastics voor LEGO
- ✓ Geert Doorlag, Royal Auping - vertelt over de ambitie van Auping om in 2030 een volledig circulair productassortiment te voeren

"Bijna alle producten die wij dagelijks gebruiken zijn (gedeeltelijk) van kunststof gemaakt", stelt Eric van Beijsterveldt, accountmanager bij kunststoffdistributeur Resinex Benelux. Van telefoonhoesjes tot bloembakken en van koffiezetapparaten tot gereedschap, kunststof is overal. "De wereld kan niet zonder dit materiaal" De vraag naar het materiaal blijft onverminderd hoog en de eisen van bedrijven en consumenten veranderen. Duurzaamheid en circulariteit worden steeds belangrijker. Dit is dan ook het centrale thema tijdens de Kunststoffenbeurs van 2024. Ook is er extra aandacht voor het jubileum, met een expositie over de belangrijkste ontwikkelingen in de kunststof- en rubberindustrie van de afgelopen 25 jaar.

Lees het volledige interview waarin VDL Parree, Tool-Temp-Benelux BV en Resinex Benelux met elkaar in gesprek gaan over de circulaire ontwikkelingen in de #kunststofindustrie: <https://okt.to/OCRADP>

✓ Op zoek naar #circulaire oplossingen met kunststof? Ontmoet in twee dagen ruim 220 bedrijven op 18 en 19 september tijdens de Kunststoffenbeurs in de Brabanthallen 's-Hertogenbosch. Meld je gratis bezoek direct aan: <https://okt.to/R00zF8>

This is what exhibiting will bring you

Both the exhibition floor and the conference programme focus on future solutions, innovations and developments for the entire plastics and rubber industry. Does your company or organisation offer solutions or innovations that fit these needs? If so, your participation as an exhibitor at the Kunststoffbeurs should not be missed. See what exhibiting at the Kunststoffbeurs will bring you!

WHEN YOU EXHIBIT AT THE KUNSTSTOFFENBEURS YOU ARE ASSURED OF

Always a strong networking element

Accessible booth construction, equal opportunities for all types of companies and organizations

Gaining knowledge and making connections that you can't find elsewhere, such as online

Full focus on technical content and innovations

A trade fair for, by and with the industry

Exhibiting can be done in just three easy steps!

Step 1 Choose your preferred type of stand construction

Surface area of the stand	Complete construction	Free construction
3x2 m	€ 2.700,-	X
4x2 m	€ 3.440,-	X
3x3 m	€ 3.875,-	X
4x3 m	€ 4.915,-	X
5x3 m	€ 5.745,-	X
6x3 m	€ 6.545,-	X
8x3 m	€ 8.740,-	X
From 18m ² (maximum building height 250 cm)	X	€ 285,- per m ²
Included with your stand		
Rental of m ² on the exhibition floor	✓	✓
Rental of system walls (max. 250 cm high)	✓	
Floor covering	✓	
WiFi, 230V connection, power consumption of lighting and other 230V equipment (3 kW)	✓	✓
Set up your own stand		✓
1 nameplate (not compulsory)	✓	
Lighting on the stand	✓	
Furniture: 1 table (120x80 cm) and 2 chairs or 1 standing table (Ø 80 cm) and 2 bar stools	✓	
Vacuuming of stand	✓	✓
Forklift service	✓	✓
Packaging (limited)	✓	✓
Badges for stand crew	✓	✓
Amenities		
Parking	✓	✓
Complimentary coffee, tea, soft drinks, and lunch	✓	✓
Networking reception on the exhibition floor on day 1	✓	✓
Marketing and communication activities		
Marketing brandportal with formats to easily create your own communications	✓	✓
Possibility to highlight news, blogs, videos, press releases and/or innovations via the event website and social media channels	✓	✓
Company profile with contact details on the interactive floor plan	✓	✓
Personal registration link to invite your contacts and relations	✓	✓
Additional services		
Receipt of visitor list after the event containing company name, place of business, name of visitor and e-mail address (only after their consent)	✓	✓
Use of the online trade fair manual	✓	✓

Co-exhibitor

One or more partners are allowed on the stand. For catering, additional nameplate and listing of partners on website, exhibition catalogue, etc., € 590,- will be charged per co-exhibitor.

All prices mentioned are excluding VAT. Members of Mikrocentrum High Tech Platform will receive a 10% discount.

Step 2 Choose your spot on the exhibition floor and put it in option

view the floor plan with all stand options here

Step 3 Register directly as an exhibitor
